

SPS COMMERCE

## Supplier Sales – Carbon Copy

### **Carbon Copy: Solution Description**

**SPS Copies Documents:** Provides a carbon copy of documents processed through SPS Web Fulfillment service to a third party.

**Customer Copies Documents:** Provides for an additional setup when the Customer is copying some documents to SPS so that SPS must setup multiple sender/receiver IDs for that account.

**Carbon Copy Setup** - (per unique sender/receiver ID combination)

**Carbon Copy Trading Partner Fee** - ((per unique sender/receiver ID combination)
