

# One Connection, Limitless Growth

## Cloud Transaction Automation Solution for Oracle

"As part of managing Fruit of the Loom's broad and complex trading partner network, Bristlecone has produced the 'last mile' integration from the SPS Universal Network to our ERP, bringing agility, visibility and scalability to our business. Bristlecone's ability to maintain our daily operations will enable us to be more competitive and responsive in the market, leading to a more trusted alliance with our partners."
