# CARRIER SERVICE

## Carrier Service Small Parcel Solution Overview:

- **Book Shipments:** Easily book shipments while completing an ASN in Fulfillment.  Reduce time spent and manual data entry, plus reduce the risk of errors associated to booking shipments and entering tracking numbers.

- **Generate & Print Carrier Labels:** Create carrier shipping labels in Fulfillment

- **View & Shop Rates:** Save money by optimizing your shipping costs and ensure you always ship the lowest rate.  Compare real-time shipping rates across carriers directly in Fulfillment.  View and select the best shipping rate based on locations and delivery date.

- **Connect with:** UPS, FedEx, USPS, Canada Post and Purolator and more

## Carrier Service LTL Solution Overview:

- **View & Shop Rates:** Save money by optimizing your shipping costs and ensure you always ship the lowest rate.  Compare real-time shipping rates across carriers directly in Fulfillment.  View and select the best shipping rate based on locations and delivery date.

- **Schedule & Book Shipments:** Easily schedule and book shipments while completing an ASN in Fulfillment.  Reduce time spent and manual data entry, plus reduce the risk of errors associated to booking shipments and entering tracking information.

- **Generate & Print BOLs:** Create Bill of Lading documents (BOLs) in Fulfillment

- **Connect with:** UPS Freight, FedEx Freight, CH Robinson, Old Dominion, Estes Express Lines, Saia Motor Freight, XPO Logistics, YRC Freight, ABF Freight System and more
